```
graph BT; A["src/project/src/game.c"] --> B["src/project/include/game.h"]
```

A diagram illustrating a file dependency. At the bottom is a white rectangular box with a black border containing the text "src/project/src/game.c". A blue arrow points vertically upwards from the top center of this box to the bottom center of a gray rectangular box with a black border above it. The gray box contains the text "src/project/include" on the first line and "/game.h" on the second line.
